

DRIVING DIRECTIONS & PARKING SPACES IDEAS

Although we do not have any private parking space, our neighborhood offers plenty of free of charge car parking options at no more than a 5 minute walking distance from our door.

Most of our guests actually park their car just behind our house, where there is an open public space that can fit 7 - 8 cars. The exact street name is MEGARON with DANAOU.

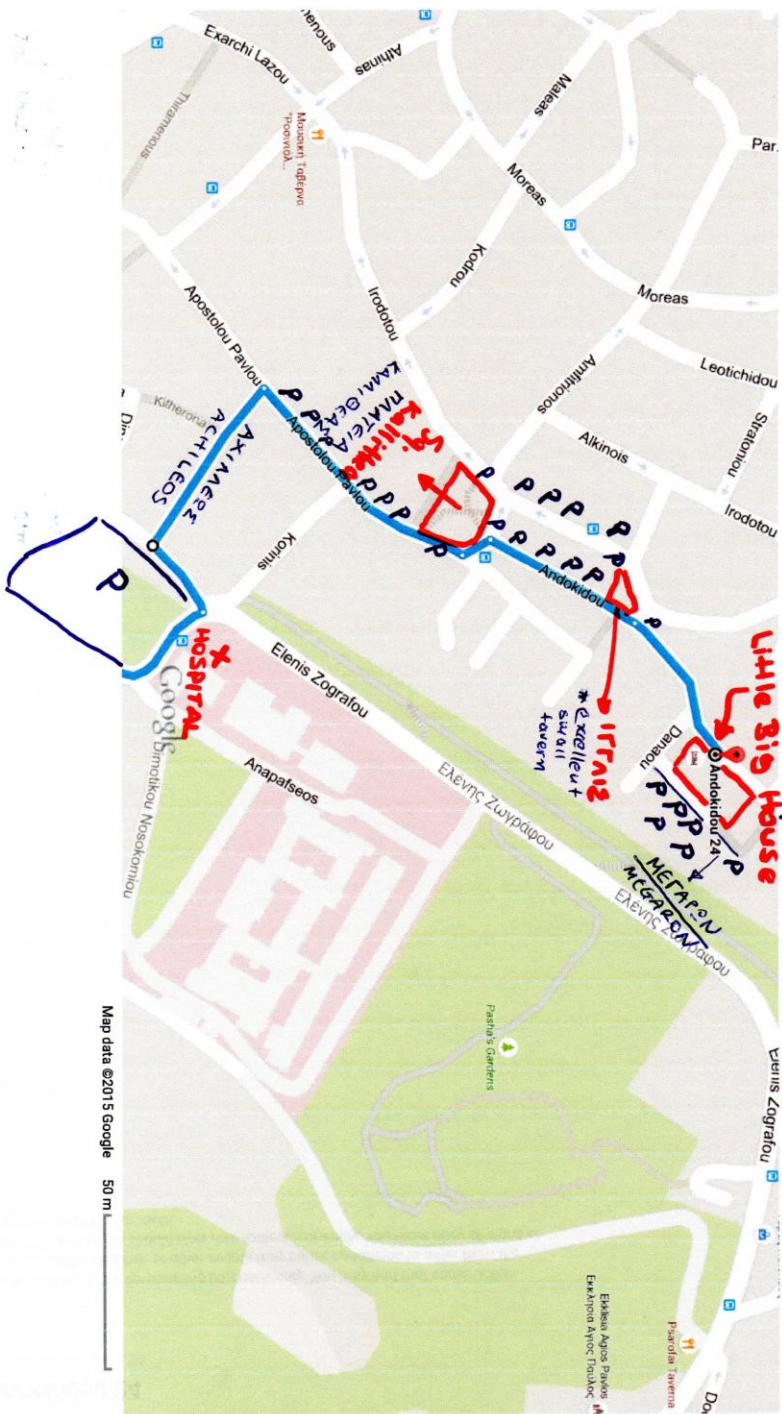

Our proposal, if you would like to park as close to our door as possible, is to drive through Achilleos street (ΑΧΙΛΛΕΩΣ) that starts from the open parking area of Hospital Agios Dimitrios, turn right to Apostolou Pavlou street (ΑΠΟΣΤΟΛΟΥ ΠΑΥΛΟΥ) until you reach Kallitheas Square (ΠΛΑΤΕΙΑ ΚΑΛΛΙΘΕΑΣ). Turning left in Kallitheas Square and turning immediately on your first right you will find where our street Andokidou (ΑΝΔΟΚΙΔΟΥ) starts. You will find us if you follow Andokidou street for 200 m, we are at number 24. Parking anywhere you find appropriate space for your car at these streets described above it will be totally fine and free.

Alternatively, if you want to avoid driving in the Old City district, the General Hospital of Agios Dimitrios, that is 350 meters south east from our Little Big House, is a safe choice. Opposite the Hospital there is a big open public space where you could safely park your car for free in case you wouldn't like to enter by car in "Ano Poli", the Old City district of Thessaloniki. This parking position will leave you 5-6 minutes away from Little Big House.
